## MAY DINNER MEETING

Thursday, May 2, 2019

**AVISHAI SADAN DMD, MBA**

*presents*

**"Practical Solutions for Complex Rehabilitations  
Using Adhesive Dentistry"**

### About the Topic:

With a conservative approach in mind, clinicians should be able to provide patients with minimally-invasive, functional, highly-esthetic, and long-lasting solutions. These solutions should take into consideration patient needs and desires, functional issues, available materials, and clinical approaches.

Novel conservative restorative techniques are able to combine a variety of treatment modalities for a large range of clinical situations including some that until recently were not considered possible. This presentation provides a systematic and scientific approach for selecting esthetic treatment modalities based on original research data with special emphasis on techniques and new materials design and selection.

### LEARNING OBJECTIVES

At the end of the presentation attendees will be able to:

- Understand challenges related establishing a stable adhesive interface to ceramic and composite based material
- Choose restorative solutions that are age appropriate
- Understand the advantages and limitation of ceramic vs contemporary resin composite CAD/CAM solutions

### About the Speaker:

Dr. Avishai Sadan is Dean and the G. Donald and Marian James Montgomery Professor of Dentistry at the Herman Ostrow School of Dentistry of USC. As Dean, Dr. Sadan has spearheaded numerous educational and curricular innovations, including an emphasis on providing students with unique keystone experiences using the latest technologies and treatment modalities. He also focuses on maintaining the school's strong faculty legacy, especially through the hiring and mentoring of junior faculty members.

Dr. Sadan was previously editor-in-chief of both Quintessence International and Quintessence of Dental Technology and has lectured and published nationally and internationally on biomaterials and esthetic and implant dentistry. He completed both a residency and a fellowship in prosthodontics at the Louisiana State University School of Dentistry and obtained his Doctorate of Dental Medicine from the Hebrew University Hadassah School of Dental Medicine.

### MAY DINNER MEETING

**Date:** Thursday, May 2, 2019  
**Time:** Social Hour 6:00 p.m.  
Dinner 7:00 p.m.  
Lecture 7:45 p.m.

**Location:** Valley Beth Shalom  
15739 Ventura Blvd.  
Encino, CA 91436  
(818) 788-6000

**Contact:** Dr. Max Cutler  
(818) 986-0595  
maxcutler@aol.com

Please RSVP at  
your earliest convenience

**Cost:** \$65.00 per person
